

Hélicoptère de Service Public (EC 225)

37 medias

L'engagement de ces "marins du ciel" se traduit par des taux de disponibilité très élevés et des capacités d'intervention dans les conditions les plus difficiles. "*Belligou Rescue*" (c'est ainsi que se nomme l'EC 225 lorsqu'il est en opération) est en alerte à 1 heure de jour et 2 heures de nuit, le coordinateur de mission de sauvetage, qui dirige les opérations depuis le CROSS, sait que l'hélicoptère sera préparé et configuré pour la mission puis aura décollé en 10 à 15 minutes en journée et en moins de 40 minutes la nuit. Il est remplacé en juin 2016 par l'hélicoptère *Caïman Marine* au détachement de Maupertus.
